

Learning Expedition LEX Frankfurt RheinMain

Learning Expedition LEX Frankfurt RheinMain

**With FrankfurtRheinMain GmbH &
Club des Affaires de la Hesse & CCE**

Where: Frankfurt RheinMain Region, Germany

When:

October 27th – 29th 2026

What will you get out of it?

- By attending the learning expedition, you will gain an inspiring, first-hand perspective on the Frankfurt RheinMain region's vibrant ecosystem, where cutting-edge research, bold innovation, and a thriving economy meet.
- You will experience how visionary minds in Life Sciences, BioTech, AI, and Digital Health are shaping the future, and how the region is solidifying its role as one of Europe's most dynamic hubs for transformative ideas and breakthrough technologies.
- Overview How to Invest, Market Access & Funding
- Access to the Frankfurt and European [AI ecosystem](#) (updated agenda AI Week Frankfurt coming soon)

Why? Good question!

The French Community in Frankfurt RheinMain supports the structuring and growth of the French businesses and scale-ups towards the region

RSVP:

Please confirm your participation by **19th of June 2026** to ensure you secure one of the limited available seats by emailing to niina.hagstroem@frm-united.com

Obligation from your side

A binding registration via email to niina.hagstroem@frm-united.com
& a post about the Learning Expedition on LinkedIn

The French Community in FrankfurtRheinMain

Club des Affaires de la Hesse

A German-French business network that brings together companies and executives from industry, commerce, and technology. Its mission is to promote bilateral business relations, partnerships, and investment projects between Hesse and France.

Conseillers du Commerce Extérieur de la France (CCE)

A global network of more than 4,000 experts supporting French companies in their internationalization efforts while advising policymakers and senior decision-makers.

FrankfurtRheinMain GmbH (FRM GmbH)

The international inward investment agency for the Frankfurt RheinMain region, supporting French companies with setting up an own entity, site selection, and local networking. The government-funded agency helps businesses and scale-ups establish a strong foothold in Greater Frankfurt.
